

# OIL PAINTING - Materials List

Don Stewart [dpstewart@forsythtech.edu](mailto:dpstewart@forsythtech.edu) [www.donstewart.com](http://www.donstewart.com)

## **Oil Paints:**

Avoid Winsor Newton's Winton, Rowney and other student grade paints. Higher quality, professional grade is preferable (Winsor Newton, Gamblin, Grumbacher Pre-Tested).

## **Monochromatic Palette:**

- Titanium White (large tube)
- Burnt Umber
- Burnt Sienna

## **Limited Palette (in addition to Monochromatic):**

- Cadmium Red Light
- Cadmium Yellow Medium
- Ultramarine Blue

## **Full Palette (in addition to Limited):**

- Permanent Alizarin Crimson or Quinacridone Red
- Viridian Green
- Yellow Ochre

## **Optional:**

- Cobalt Blue
- Dioxazine Purple
- Cadmium Orange

## **Brushes:**

Avoid cheap brushes. Get at least 3 long-handled Filbert or Flat shaped bristle brushes for now (sizes #4 - #8). Eventually you'll want more and a variety of sizes. You may also want to try Rounds at some point.

- Natural Bristle (coarse haired), Flats or Filberts (3 or more, #4 - #8)
- Optional Natural Bristle (coarse haired), Filbert or Round (1, #2)
- Optional Sable (soft haired), Filbert or Round (1, #1 or #2)

## **Support:**

- 11" x 14" Stretched Canvases or Canvas Boards (you will need 3)

## **Palette:**

- Wood (12" x 15" min size, treat with linseed oil prior to use) or Paper Palette Pad

## **Miscellaneous:**

- Soft Vine Charcoal
- Palette Knife (not a painting knife)
- Odorless Mineral Spirits (such as Turpenoid or Gamblin's Gamsol, 32 oz size)
- Tabletop Easel
- Hand Soap (plain white bar such as Ivory brand)
- Stainless Steel Brush Washer with Leak-Proof Lid (to hold solvent)
- Rags or Sturdy Paper Towels (such as Viva brand)
- Apron or Smock
- Art Tool Box, Paint Box or other container to carry materials

## **Sources for Materials:**
